IQAC
Department of Commerce and Department of Management Studies
In association with
Edwin Academy, MIZONE
Seminar
Workability and Industrial Training Program
On Tuesday 21st June 2022
Report

The programme started at 1.30 pm. Mr. K S Musthafa, Assistant professor welcomed the gathering. Dr. Rajesh Kumar E R, Head of the Department of commerce chaired the seminar. The seminar was inaugurated by the principal, Dr. Majeesh T.

After inauguration the resource persons handled the session. The sessions were handled by Mr. Muhammed Ajmal A, Career Expert, Edwin Academy, MIZONE and Ms. Rafna C K, Resource Person, Edwin Academy, MIZONE. They emphasized the need for developing employability skill among the students. They pointed out that one of the reason for educated unemployment is the gap between the skill which the person possesses and the skills which are required by the employer. So the students should attain the employability skills while undergoing their studies in the college. They also conducted some individual and group activities to help the students to understand about the skills they possess and the areas where they should give more importance. As a token of appreciation they distributed certificates to the students who secured best position in these activities.

The seminar came to an end by vote of thanks by Mr. Muhammed Anseer, assistant professor, Department of Management studies, N A M College Kallikkandy. A total of 87 students participated in the seminar.
