Report on "Team Built: Building Healthy Group Dynamics" 17-01-2025

The Department of Computer Science, in association with JCI Panoor, organized a one-day skill development training program titled "Team Built: Building Healthy Group Dynamics" on 17 January 2025. The program aimed to foster effective teamwork, improve interpersonal relationships, and strengthen group dynamics among students.

The program was inaugurated by Dr. T. Majeesh, Principal of the institution. Dr. Shameer A. P., Associate Professor and Head of the Department of Computer Science, presided over the function. The event was graced by the presence of Dr. Haseeb V. V., IQAC Coordinator, Dr. Minimol V. K., Sri Muhammed Shafi P., JCI Programme Director Binith, JCI Vice President K.M. Rahees, JCI Secretary Nisha, and Sri K.V. Noushad, JCI Representative, who offered their felicitations. Their words emphasized the significance of teamwork and collaboration in both professional and personal spheres.

JCI trainer N. C. R. Pramod was the chief guest of the session and led the training program. The participants, including second and fourth-semester Computer Science students, actively engaged in the various activities. Students were divided into small teams to encourage interaction and collaboration.

Activities included problem-solving tasks, trust-building exercises, and creative challenges designed to improve group dynamics. Interactive sessions conducted by experienced trainers from JCI Panoor focused on the principles of teamwork, effective communication, conflict resolution, task delegation, and achieving shared goals. Students were encouraged to interact beyond their immediate friend groups, fostering a sense of camaraderie and mutual respect.

The program successfully achieved its objectives of enhancing teamwork, promoting healthy group dynamics, and building better interpersonal relationships among the participants. The engaging activities and expert guidance created a lively and interactive environment, leaving a lasting impact on the students.

The Department of Computer Science extends its heartfelt gratitude to JCI Panoor and all the dignitaries for their support and contributions, which made the event a resounding success.
