Report on the Hands-on Workshop on Web Designing

Future Coders: A Journey into Web Technology

Date: 30 January 2025

The Department of Computer Science, NAM College Kallikkandy, successfully conducted a hands-on workshop on Web Designing for Little KITE students of PKMHSS Kadavathur on 30 January 2025. The workshop aimed to introduce students to the fundamentals of web design and development, equipping them with essential skills for creating web pages and websites.

A total of 70 students actively participated in the workshop. The event was inaugurated by Dr. Shameer A P, Associate Professor and Head of the Department of Computer Science. Sri Muhammed Shafi P, Assistant Professor, presided over the function, while Dr. Haseeb V V, Assistant Professor, welcomed the gathering.

The key highlight of the workshop was the hands-on training session led by Dr. Minimol V K, Assistant Professor, Department of Computer Science, who served as the resource person. She provided practical guidance on web designing, explaining the concept of websites, their working mechanisms, and how to create web pages effectively. The session was highly interactive, allowing students to apply their learning in real time.

The workshop also witnessed the presence of KITE Master Sri Muhammad Ashraf T and KITE Mistress Miss Sajna Anooja, who felicitated the program and appreciated the efforts of the Computer Science department in promoting technical education among school students.

The event concluded with a vote of thanks delivered by Sri Firdouse N, Assistant Professor. The workshop was part of the department's extension activities and was well-received by the participants. The session not only enhanced the technical knowledge of students but also encouraged them to explore the field of web development further.

This initiative reflects the commitment of the Department of Computer Science, NAM College Kallikkandy, to fostering digital literacy and empowering young minds with emerging technological skills.
