### REPORT

PG Department of Computer Science and IQAC in association with Avodha organized a Career Development Program on the topic "Discover Your Career Opportunities" on 23/11/2022 at 2:30 PM. The purpose of the program was to help students explore the various career options that are available to them and to assist them in making informed decisions about their future career paths. The program was attended by lot of students and professionals from various fields.

The program began with an introduction to the concept of career development and the importance of career planning. This was followed by a presentation on the various career options available to students, including the job market and the roles that they could take up. The presentation also included a discussion on the skills and qualifications required for various careers.

The session focused on to access career opportunities. This was followed by a discussion on the steps that students could take to enhance their employability. The participants were also given tips on how to search for job postings and develop their resume.
