

TECHIES TALK

The Department of Computer Science has introduced a programme called "Techies Talk," where students from the department deliver technical presentations. The primary goals are to explore emerging trends and technologies in computer science, deepen the practical application of theoretical concepts, foster a collaborative atmosphere for knowledge exchange, encourage innovation in advanced technical domains, and cultivate students' confidence in public speaking. The programme featured talks by students from all Computer Science classes, with each speaker discussing different topics related to computer science and focusing on real-world applications.

The official inauguration was held on 12 August 2024. Dr. Anas E, Assistant Professor in the Department of History and a well-known speaker, was the chief guest. Dr. Shameer A P, Head of the Computer Science Department, chaired the function. Felicitations were given by Dr. Hasseb V V, Dr. Minimol V K, Sri Muhammed Shafi P, and Sri Firdouse N.

In the first session, Sri Risvan V P, Roll No: CU2208, a Vth-semester Computer Science student, presented on "Artificial Intelligence and its Influence on Society." Miss Shdha Haneena M, Roll No: CU2219, also a Vth-semester student, discussed "Setting Goals for the Future." Finally, Smt. Rimiya Rimshi K M, Roll No: CU2240, a Vth-semester student, conducted a session on "Cyber Crime." Many students provided their feedback on the sessions.

SECOND PROGRAMME. 29-8-2024

The second session of the "Techies Talk" programme was held on 29 August 2024. Miss Shasni N, Assistant Professor in the Department of English and a well-known singer, was the chief guest of the day. Dr. Shameer A P, Head of the Department of Computer Science, presided over the function. Felicitations were offered by Dr. Haseeb V V and Dr. Minimol V K.

The first session was led by Smt. Fathima Niya Shaika, Roll No: CU2303, III rd-semester Computer Science student, who presented on "The Scope of Robotics in the Current Era." The second session was handled by Sri. Sukreth O M, an MSc Computer Science student, who discussed the topic "Text to Video in AI with Sora." The third session was conducted by Smt. Misba Salim, Roll No: CU2327, a IIIrd-semester Computer Science student, on the topic "The Role of Youth in Nation Building." Finally, Miss Shadha Haneena M, Roll No: CU2219, a Vth-semester student, revisited her topic on "Setting Goals for the Future."

Smt. Nima Fathima, Roll No: CU2237, welcomed the gathering, and Sri. Jumail K, Roll No: CU2201, delivered the vote of thanks.

THIRD PROGRAMME. 06-09- 2024

The third session of the "Techies Talk" programme was held on 06 September 2024. Dr. Anju O K, Assistant Professor in the Department of English and a well-known singer and dancer, was the chief guest of the day. Dr. Shameer A P, Head of the Department of Computer Science, presided over the function. Felicitations were offered by Dr. Haseeb V V and Dr. Minimol V K.

The first session was handled by Smt. Fathima Nasna P K, Roll No: CU2303, a 3rd-semester Computer Science student, who presented on "Blockchain Technologies." The second session was conducted by Smt. Thajleena K P, Roll No: CU2317, a 3rd-semester CS student, who discussed "Proficiency of Programming Languages in the Software Industry." Smt. Farhath M, Roll No: CU2334, delivered the vote of thanks.
