Reverberate

Principal's Desk

It is a matter of great pride and satisfaction to NAM COLLEGE KALLIKKANDY to bring out its newsletter REVERBERATE for the academic year 2020-21, which completely passed during the pandemic situation caused by COVID 19. It was really a challenging and terrible situation to each and everybody in society that affected the entire sphere of human life. The academic community suffered intensely. Students and teachers couldn't go to their campuses for academic purposes, couldn't carry out curricular and extracurricular activities. Routine classroom teaching and learning, face-to-face interactions, seminars, workshops, discussions, debates, competitions and other means for all round development of individuals were restricted and became a dream. Actual campus life came to a standstill. New means and

methods of teaching and learning, like online classes, blended learning etc emerged. However, teachers and students strived hard to make the teaching and learning process effective and fruitful. The college has made remarkable progress in academic, non-academic and other capacity programmes for both the teaching and student community. Though, we had planned several activities as a part of the Silver Jubilee celebrations of the college. I regret to say, many of these programmes couldn't be conducted. However, several programmes were organized by different departments, clubs, forums and associations working in the college. This news letter will provide a bird's eye view of the various activities conducted in the academic year under review. With great pleasure, I would like to thank the Management, staff and non-teaching staff for their efforts in making the college an abode of excellence. PTA and alumni also have played a remarkable role. I congratulate the Editorial Board of Reverberate for making this endeavor a grand success. Especially, I appreciate the effort made by Mrs. Priya Nair, Head of the Department of English and Dr. Anas Edoli, Assistant Professor of History and express my special gratitude and heartfelt thanks to them.

With prayers for an immediate return of normalcy and COVID-FREE WORLD.

World Arabic Language Day

Retirement of Dr. Jose MV

Dr. Jose M.V. has been a dynamic faculty, Head of the Department of History and integral member of the academic community of NAM College. He joined the college on 1st October 1996 as lecturer. Throughout his entire period in service, he was an exemplary teacher, who upheld punctuality, pedagogical skills, rational outlook, and friendly relations with all, and, indeed, above all in-depth knowledge of history. He received Doctoral degree in History from Kannur University in 2013 for his research work on Thalassery in colonial times. His erudite works in the form of articles were published in several reputed journals. He was Chairperson of the Board of Examiners and Member of UG and PG Board of Studies in Kannur University. Jose Sir, sit back and enjoy... But why is knowledge of History so important now a days? A question left by him for us to ponder.
