SEMINARS AND WORKSHOPS

ONE DAY SEMINAR ON RESEARCH METHODOLOGY

Department of Polymer Chemistry in association with IQAC, organized a one day seminar on research methodology topic “al Chemistry meets biology” on 24-03-22 at Seminar Hall. Dr Muhammad Kutty KK inaugurated the programme while Dr Muhammed Ismail K.M. presided over it. Dr Safeer Kalathil , Asst. Professor ,University of Northumbria ,Newcastle, England, was the resource person. Mr. Namshad K.P welcomed the gathering . Around sixty students and four faculty members attended the programme. Mrs Shabina K.K offered the vote of thanks.

The poster features a dark blue background with light blue diagonal streaks. At the top left is the Nam College Kallikkandy logo, a circular emblem with a lamp and text. To its right, the college name 'NAM COLLEGE KALLIKKANDY' is written in bold white letters, followed by accreditation details: 'Accredited by NAAC with 'B' Grade' and 'Affiliated to Kannur University'. The main title 'One Day Seminar on Research Methodology' is in white, with 'MATERIAL CHEMISTRY MEETS BIOLOGY' in large, bold yellow letters below it. The date and time 'At 10.00 am on 24 th March 2022' and location 'At Seminar Hall' are in white. A portrait of Dr. Shafeer Kalathil is on the left, with his name and title 'Resource Person : Dr.SHAFEER KALATHIL Assistant Professor, University of Northumbria At Newcastle England' to his right. A blue oval on the right contains the inauguration details: 'Inauguration: Dr. MUHAMMAD KUTTY K.K Principal'. At the bottom right, it says 'Organized by DEPARTMENT OF POLYMER CHEMISTRY & IQAC'.

INTERNATIONAL WEBINAR ON LEADING INNOVATIONS: A PROMISE TO PROGRESS

Department of Commerce in association with IQAC organized a one-day international webinar on 16/10/2021. The major objective of webinar was to discuss the recent innovations in the field of commerce and management. The meeting was inaugurated by the principal Dr. Muhammed Kuttty K K . The programme was presided over by Dr. Majeesh T (H O D of Commerce). The topic of the first session was “**Leading Innovations: A Promise to Progress**” which was handled by Dr. Mahesh Ramakrishna Pillai (former dean, COBA, Umm Al Quwain University, UAE . The second session was handled by Dr. Musthaq Ahammed, Asst. Professor, Umm Al Quwain University, UAE) where he talked on the topic “**Cryptocurrency-An Alternative Investment**”. Dr. Ashraf (faculty member and convener of the webinar) welcomed the gathering and Mr. Arif MK (faculty member) proposed the vote of thanks.

NATIONAL WEBINAR ON INTELLECTUAL PROPERTY RIGHTS

Department of Commerce organized a two-day national webinar on 19th and 21st February 2022. The major objective of the webinar was to explain the importance of Intellectual Property Rights. The webinar was inaugurated by the Principal Dr. Muhammed Kuttty KK. The programme was presided over by Dr. Majeesh T (H O D of Commerce). The session was handled by Dr. Anson C J (Asst. Professor Inter University Centre for IPR studies, CUSAT). Dr Ashraf E, faculty member and convener of the webinar welcomed the gathering and Ms. Akshaya Surendran (M. Com) proposed the vote of thanks. More than 120 participants including faculty members and students of different colleges attended the programme.

The poster is for a National Webinar on Intellectual Property Rights organized by the Post Graduate Department of Commerce at NAM College Kallikkandy. It features the college's logo and name at the top, followed by the webinar title and dates. A resource person, Dr. Anson C J, is highlighted with his photo and affiliation. Contact numbers are provided, and the names of the Principal, HoD of Commerce, and Coordinator are listed at the bottom.

ONLINE LECTURE SERIES ON “CULTURAL STUDIES”

The Department of English in association with IQAC organized an online lecture series in the month of April 2021. The Lecture Series thematically took upon Post-war Literary Theories and Cultural Studies. In the inaugural session, Dr. Muhammad Kutty, Principal, NAM College, Kallikkandy addressed the audience by welcoming all the participants, scholars and dignitaries. Nasrullah Mambrol, Assistant Professor of English, and the organizer of the lecture series, introduced the theme. Dr. Priya K Nair, Research Officer, Kerala Higher Education Council, Assistant Professor of English, St. Teresa's College, Ernakulam delivered the inaugural lecture on Friday, 23 April 2021. The second session of the lecture series was held on Monday, 26 April, 2021. Dr. Haris K, Asst. Professor of English, University of Calicut. The series ended with a vote of thanks rendered by Priya Nair, Head of the Department of English. A feedback link was provided. All participants received electronic certificates

WEBINAR ON 'AFRICAN AMERICAN LITERARY IMAGINATION AND THE CIVIL RIGHTS ERA'.

The Department of English in association with IQAC organized its fourth lecture online on 28 October 2021. Richa Dawar, Assistant Professor of English, University of Delhi lectured on the topic 'African American Literary Imagination and the Civil Rights Era'. A special focus was given to the life stories of prominent African Americans, which, in their telling, have led to dramatic changes in the lives of African American people. College Principal Dr. Muhammad Kutty KK inaugurated the session. Nasrullah Mambrol, programme coordinator, introduced the chief guest. The programme went on for two hours with a very active 100 participants.

WEBINAR ON WOMENS DAY

A webinar was organized to mark the International Women's Day on 8th March 2022 at 7:00 PM in association with IQAC based on the topic of 'WOMEN CHARACTERS IN HINDI DRAMAS'. The programme was inaugurated by Dr. Majeesh T, Vice Principal in the presidency of Dr. Sunitha P V, Assistant Professor. The topic was presented by the Chief Guest Dr. James Paul, Associate Professor (Rtd), Nirmalagiri College & Former Distant Education Director & development Officer Kannur University. Around thirty members including teachers and students attended the programme. The programme ended at 8 PM.

WEBINAR ON 'GENDER RELATIONSHIP AND GENDER LAWS'

In association with Mahila Shakthi Kendra, Kannur, Women and child welfare department, Govt. Of Kerala, Women Cell conducted a webinar on the topic 'Gender Relationship and Gender Laws' on 26.02.2022 via google meet. Dr. K K Muhammed Kutty, Principal, NAM College, inaugurated the programme. Mr. Jestine K Joseph (Project consultant, NSS technical cell, Kerala) was the resource person. The programme started with the welcome address by Seniya Jerin (Women Welfare Officer, Mahila Shakthi Kendra, Kannur). He gave an idea about the importance of gender equity in the present social situation. He explained the discrimination that still exists in the society against girls and women by quoting various incidents and facts. He also gave awareness about various laws and schemes that are ensured by the Government for the protection of girls and women.

LECTURE ON EDUCATION, RESEARCH AND IPR

Department of History in association with IQAC organized a talk on 'Education Research and IPR on 28th February 2022 at seminar hall. The function was inaugurated by Dr. Muhammed Kutty, Principal NAM College Kallikkandy and Dr. Joy Varkey, Head of the Department of History presided over the function and. Dr Samd Thazhe Vadakkayil delivered the keynote address who is a well-known scholar and assistant professor of Education at Maulana Azad Urdu University Hyderabad. Dr. Munira Beebi and Ms Noushida felicitated the program. Irfana Sherin, Second Year student delivered the vote of thanks.

TALK ON THEYYAM

Department of History in collaboration with IQAC, IIC and IDEC arranged a talk on ‘Studying Theyyam: Methods and Methodologies’ on 7th March 2022. The program was presided over by Dr. Munira beebim EK and principal Dr. Muhammed Kutty inaugurated the programme. Lijin M, research Schoplar Department of history SSUS Kalady was the resource person. The program received wonderful responses from the students and faculty.

TWO DAY ONLINE FACULTY DEVELOPMENT PROGRAM ON PYTHON

The Computer Science Department of NAM College, Kallikkandy organized a two day online Faculty Development Program on Python in association with IQAC. The programme was intended to provide hands on training in Python based on the IV semester Computer Science syllabus of Kannur University. The programme was inaugurated by Dr. K K Muhammed Kutty, Principal. Sri. Muhammed Shafi P, Head of the Department of Computer Science Department presided over the function. Dr. Minimol V K and Mr Manikandan, CEO, Futuralab, Calicut facilitated the function. Lt. Shameer A.P, the Convenor of the programme welcomed the participants and Dr. Haseeb rendered the vote of thanks. The two day FDP program was conducted with the technical support of Futuralabs Calicut, Industrial Partner of the Department. Mrs Sruthi E Gireeshan, Team leader, Futuralab handled the session on the first day and Mrs. Anjali S Nair, Senior Developer, Futuralabs handled the session on the second day. Almost all parts of the syllabus were covered in both days. It was a thoroughly informative and interactive session. This workshop turned out to be a huge success with approximately 80 faculty members from various colleges of Kannur University. E-certificates were provided to all participants.

BLOCK CHAIN TECHNOLOGY- WHAT IT IS AND WHY IT MATTERS WEBINAR

The Post Graduate Department of NAM College Kallikkandy organised webinar on the topic Block Chain Technology- What it is and why it matters on 12th August 2020. Dr. Muhammed Kutty K K, Principal, inaugurated the programme and Sri. Muhammed Shafi P, Head of the department of Computer Science, presided over the function.

Dr. Shine K George, Associate Professor, Department of Computer Applications, U C College Aluva, was the Resource Person. The program was really attractive and informative. The resource person explained the terms in simple way providing examples from real life. He has explained future in different sector such as Digital advertising, forecasting, cyber security, Internet of Things and in the finance industry. Explain the applications, job opportunities in this area. He has shared some of the research areas related to block chain.

92 participants were attended the programme including faculties and students from various colleges. The E certificate was issued to all the participants. Lt. Shameer A.P, coordinator, welcome the gathering and Sri. Rejil K P expressed the vote of thanks.

TWO DAYS NATIONAL WORKSHOP ON INTERNET OF THINGS

The department of computer science conducted two day national workshop on Internet Of Thing on 28,29 February 2020. The programme inaugurated by the principal Dr. K. K. Muhammed Kutty. HOD Sri. Muhammed Shafi presided over the function. Dr. Minimol V K delivered the welcome speech. All other faculty members and other staff were present in the function. Internet of Things (**IoT**) is presently a vibrant part of technology in the world. It has spread into most of the businesses in the modern world and become an integral and part of our daily lives. **IoT**, is a system of interrelated computing devices, mechanical and digital machines, objects, animals and the ability to transfer data over a network without requiring human-to-human or human-to-computer interaction.

The Internet of Things (IoT) has evolved from the convergence of wireless technologies, micro-electromechanical systems and the Internet. By connecting –things- in the real world such as cars, buildings, and industrial equipment, IoT promises to revolutionize how we live and work. A lot of industries are beginning to adopt this technology on to their operations to increase their productivity and improve efficiency.

This program aims at providing an opportunity for participants to enrich their knowledge and skill in developing various solutions for solving engineering problems in the society. This program serves as a platform for research scholars, faculty, engineers and students to interact on cutting edge technologies in IoT. This workshop gives Hands on experience on IoT.

TWO DAY NATIONAL HANDS-ON WORKSHOP

INTERNET OF THINGS (IoT)

2020 FEB 28-29

ORGANIZED BY
DEPARTMENT OF COMPUTER SCIENCE
NAM COLLEGE KALLIKKANDY
(Govt. Aided College, Under Kannur University)
Accredited By NAAC with B GRADE
Kallikkandy Post, Thalassery, Kannur District, Kerala - 670693
Ph: 0490-2463067, www.namcollege.in
Email: namcollege@yahoo.co.in

About the workshop

Internet of Things (IoT) is presently a hot and happening technology in worldwide. It has spread into most of the businesses in the modern world and has become an integral and inevitable part of our daily lives. Government, academia, and industry are involved in different aspects of research, implementation and business with IoT. It is the extension of Internet connectivity into physical devices and everyday objects. This technique will improve public safety, intelligent tracking in transportation, industrial wireless automation, machine to machine communication and personal health monitoring in healthcare with better information and faster communication. In the consumer market, IoT technology is most synonymous with products pertaining to the concept of the "smart home", covering devices and appliances. The IoT concept has faced prominent criticism, especially in regard to privacy and security concerns related to these devices and their intention of pervasive presence. Therefore, it is very important to learn the fundamentals of this emerging technology. This workshop introduces you to the amazing world of IoT and its fascinating applications and various research areas in communication, automation, smart sensor, networking and Internet protocol.

Objective

- Knowing new platforms in Internet of Things.
- Scope for future jobs in various industries.
- Introduction and description of core concepts of IoT, role and scope of smart sensors for insuring convergence of technologies.
- Identifying research opportunities in IoT technology, applications and services.
- Help you one get acquainted with IoT in the early stage.

Registration

- There is a registration limit of 40 participants for this workshop (priority given Faculty and Scholars based on FCSs basis).
- Participants may register your Name, College address, Email and Mob No through email and also through the given link.

Email for registration: sharmeeap@gmail.com
Link: <https://forms.gle/21E1mV99K7z993>

Participants

- All Faculty Members
- Research Scholars
- Industry Delegates
- Students (B.Tech/M.Tech/M.Phil, M.Sc/ B.Sc Computer Science, Physics, Maths, etc.)

Workshop Highlights

- Introduction to IoT.
- Introduction to Cloud Computing
- Networking, Communication Protocol
- NODE MCU Hardware
- Introduction to Sensors and Actuators
- Hardware and Software technology
- Research issues in IoT
- Simulating Multi Hop network in Cooja
- Setting up mobile scenario in Cooja
- Simulating MAC and routing Protocol in Cooja
- Graph generation from Wireshark
- Configuring and setting up local WSN hostbed
- Architecture of IoT.
- IoT Security
- WSN Deployment Architecture
- Server Communication
- IoT Server

Registration Fees		Registration Dates	
Industry Delegates	Rs. 750	Registration opens	15-Feb-2020

WORKSHOP ON WEBDESIGNING

The PG department of Computer Science conducted one day workshop on web designing for high school students. The programme was at Kadavathoor high school. It is an extension programme by the department. The classes were handled by final year students of Computer Science department. Dr V.K. Minimal co-ordinate the programme. The students were participated actively. They captures the code writing in HTML very fast and they designed simple web pages.

NATIONAL WEBINAR ON MACHINE LEARNING AND ITS APPLICATIONS

Department of Computer Science, NAM College Kallikkandy organized National webinar on Machine Learning and its Applications in association with IQAC on 23 Oct 2021. The webinar was inaugurated by Dr. K K Muhammed Kutty Principal. Sri. Muhammed Shafi P, HoD CS department presided over the function. Dr. Muhammed Ismayil K M, IQAC coordinator, Dr. Minimol V K, Dr. Haseeb V V, Smt Sreeja K V felicitated the function. Dr. Shameer A P, co-ordinator of the program welcomes the gathering and Sri. Rajil K P, Assistant Professor, expressed the vote of thanks. Dr. RAJKUMAR SOUNDRAPANDIYAN, Associate Professor, School of computer Science and Engineering, VIT, Velloor was the resource person. He gave a talk on Machine Learning and its Application.

In his speech, he discussed the definition of machine learning and discussed a few algorithms used by machine learning like **Supervised Algorithm**, **Unsupervised Algorithm**, **Semi-Supervised Algorithm** and **Reinforcement Algorithm**. He also pointed out some **important benefits of ML especially use of in our real life**. Various Applications of Machine Learning from Day-to-Day Life is also discussed in a simple way. Overall his speech was informative and interactive. The talk was benefited to all participants especially the young faculties and research scholars.

Total 172 members participated from various states like Kerala, Pondicherry, Tamilnadu, Karnataka etc. Total 321 members registered from various states. [82 from Kerala, 4 from Karnataka, 8 from Pondicherry, 211 from Tamilnadu, 19 from other state]. Total 134 members submitted the feedback form and also issued E Certificates.

WORKSHOP ON RESEARCH METHODOLOGY AND ACADEMIC WRITING

The Department of English conducted a Workshop on Research Methodology and Academic Writing on **10.3.2021** at the Seminar Hall of the College. The Resource person was Mr. Shivshankar, a Ph.D scholar of Kannur University. Students from the P G and UG departments of English attended the workshop. The programme was inaugurated by the Principal of the college Dr. Mohammed Kutty KK. In the three hour session, the chief speaker initiated the English Undergraduate and Postgraduate students into the process of research, research methodology and documentation. The basics of topic selection were also focused on. Documentation was given special emphasis as submission of a dissertation and project is an essential part of both the PG and UG programme. The MLA stylesheet 8th edition was used as a point of reference. The half day session came to an end at 1.30.

NATIONAL WEBINAR ON RESEARCH METHODOLOGY IN COMPUTER SCIENCE

The Department of Computer Science, NAM College Kallikkandy organized a webinar on Research methodology in computer science in association with IQAC on 2nd October 2021. Dr. Muhammed Kutty K K, Principal, inaugurated the function. Sri Muhammed Shafi P, HOD of computer science department presided over the function.

Dr. JAYAPANDIAN N, Associate Professor, Christ University was the resource person. It was an excellent presentation that covers the basics of research and methodologies that are possible in computer science. He also shared the topics in types and quality of readership journals. Publishing research articles etc. Around 190 participants from various states were participated in the programme. It was really informative. Dr. Minimol V K delivered the welcome speech. Dr. Shameer A P, Dr. Haseeb VV were felicitated in the programme. Mr Firdouse N delivered the vote of thanks. E-Certificate also provided after the programme.

RESEARCH METHODOLOGY IN COMUTER SCIENE

SOFTWARE DEVELOPMENT WORKSHOP

The Computer Science Department of NAM College Kallikkandy has organized one day webinar workshop on software development. The programme was conducted in association with IQAC on 12-09-2020. Dr. K K. Muhammed Kutty, Principal, inaugurated the function. Sri. Muhammed Shafi P, Head of the department computer science, presided over the function. Dr. Minimol VK, Convener, delivered the welcome speech. The co-ordinator Lt. Shameer A P expresses the vote of thanks. All the faculties of UG and PG department of computer science were actively participated the function. Around 200 students from various college under Kannur and Calicut University were participated the function. Some teaching faculties are also participated. Mr. Likhil T, project manager and Mr. Aswin P, project co-ordinator, Riss Technologies, Kannur, act as resource persons. In the workshop introduced various steps involved for developing projects. The workshop discussed the life cycle of the software development. Language and topics and other important steps involved in the software developed were discussed. Really the programme was interesting and useful to the students. Participants send their feedback.

HIGH PERFORMANCE COMPUTERS: CHALLENGES FOR WEATHER AND CLIMATE

The Department of Computer Science, NAM College Kallikkandy organized a seminar on **High Performance Computers: Challenges for Weather and Climate** on 14th February 2022. Dr. K K Muhammed Kutty, Principal, inaugurated the function. Sri Muhammed Shafi P, HOD of Computer Science department presided over the function.

Sri. **Saheed P P**, Scientist, NCMRWF, Ministry of Earth Science and Research Scholar, IIT Delhi, Associate Professor, was the resource person.

It was an excellent presentation that covers various performance issues of super computers used for weather forecasting. The session gave awareness on various techniques and methods for forecasting whether and climate changes. In his talk, he pointed out various issues and research possibilities in this area.

Around 90 students participated in the programme. It was really informative. Dr. Minimol V K , Dr. Shameer A P, Dr. Haseeb VV were felicitated in the programme. Mr Firdouse N delivered the vote of thanks.

LIFE SKILL TRAINING PROGRAMME LIFE SKILLS FOR WOMEN EMPOWERMENT

Department of Computer Science, NAM College Kallikkandy organized women empowerment program on **life Skills for Women Empowerment** in association with Women Cell, IQAC and Annex Psychology and Educational Research Center, Kallachi on 10 Feb 2022.

The Programme was inaugurated by our beloved Principal Dr. K K Muhammed Kutty. Sri. Muhammed Shafi P, HoD, presided over the function. Dr. Muhammed Ismayil K M, IQAC coordinator, Ms. Shabina K K, Women Cell Co ordinator, Dr. Haseeb V V, felicitated the function. Dr. Shameer A P, co-ordinator of the program welcomed the gathering and Sri. Firdouse N, Assistant Professor offered the vote of thanks.

The resource persons were Smt. Rahina P, Assistant Professor and HOD, Department of Psychology, Malabar Arts and Science College for Women, Chekkiad and famous Consultant Psychologist and Smt. Swaliha Backer, Research Scholar in psychology, Lovely Professional University-Punjab and Consultant Psychologist.

Life skills for women empowerment programme aims to empower the students, especially girls, both personal and professional skills in the areas of understanding of self and others, interpersonal skills, high performance teams, leadership potential, communication & presentation skills, techniques of problem solving, decision making, fostering creativity and innovation for personal and professional excellence, stress management, time management and conflict management and inculcation of human values.

Three hours session focussed on promoting confidence and well-being of the students. This class was beneficial to the participants in exploring themselves through group discussions and confidence building techniques. This program helped the students become more powerful in terms of various skills. Many students gave their valuable feedback about the programme. About 60 students participated in the programme. Program starts on 10.30 pm and end by 1.30 pm.

SEMINAR ON NATIONAL SCIENCE DAY

National Science Day Celebration was conducted by the Department of Polymer Chemistry & Science Club in association with IIC & IQAC on 28-02-2022 , Monday. Smt Anusree K welcomed the gathering and introduced the importance of the day in connection with the commemoration of the discovery of Raman effect by Dr.C.V Raman , the Physics Nobel laureate of India.

Dr .K K. Muhammed Kutty inaugurated the programme. Seminar on the topic Raman effect and Rotational spectroscopy was also conducted as part of the programme. College level quiz competition was also conducted for the Degree Students and 40 students participated in the programme. Cash awards were distributed to the quiz competition winners..

HANDS ON TRAINING TO ONLINE LEARNING USING GOOGLE CLASSROOM

Programme on hands on training to online learning using Google Classroom conducted by department of polymer chemistry to Fourth semester BSc Polymer chemistry students in association with NAM College Library. Sri. Munfar Kappil, UGC Librarian handled a class on Introduction to online learning and Sri. Namshad. KP, Asst Professor, Dept of Polymer chemistry handled a hands on practice session on Google Classroom. Vote of thanks was proposed by Fathimathul Shamiha, Second year Polymer chemistry student.

Hands on training to online learning using Google Classroom

SEMINAR ON LEGAL RIGHTS FOR GIRLS:

Women Cell conducted a Seminar on “Legal Rights for Girls” in Association with National Women Commission and PG Department of Commerce, NAM College Kallikkandy on 09 November 2018. The seminar aimed at enhancing the awareness of Legal rights and Laws that protect Girls that are ensured by Indian Constitution. Dr. K K Muhammad Kutty, Principal NAM College Kallikkandy, inaugurated the programme. The session was handled by Advocate Babitha Balraj, Chairperson Child Welfare Committee, Kozhikode.

WEBINAR ON WELLNESS IN WOMEN'S LIFE

Women cell of NAM College conducted a webinar on the topic 'Wellness in women's life' on 13.10.2021 via Google meet. The programme started with the welcome address by Smt. Shabina K K, Co-coordinator, Women cell and inaugurated by Dr. K K Muhammed Kutty, Principal, NAM College. Dr. Deepthi V Nair (Special medical officer, Ayush gramam, Kuthuparamba) was the resource person. She gave awareness in women health, wellness for the wellbeing of society. The participants cleared their doubts regarding menstruation, and other issues related to women's health

WEBINAR ON CYBER WORLD- SURF SMART, STAY SAFE

A webinar on the topic 'surf smart, stay safe' was conducted on 16.10.2021 via Google meet. Dr. K K Muhammed Kutty, Principal of NAM College inaugurated the programme. Mr. Anees V (HSST computer science, GVHSS, kuttichira, Faculty, CG & AC Govt. of Kerala). He gave idea about the online platforms and the various facilities available related to our routine life. He also explained the negative impacts hidden while browsing such social platforms. This webinar was very helpful for both students and teachers because it was conducted during Covid pandemic period. During that time all the teaching- learning processes are switched into online mode. He gave a clear picture about how we can use the online platforms in a healthy way for educational and other day-to-day life purposes.

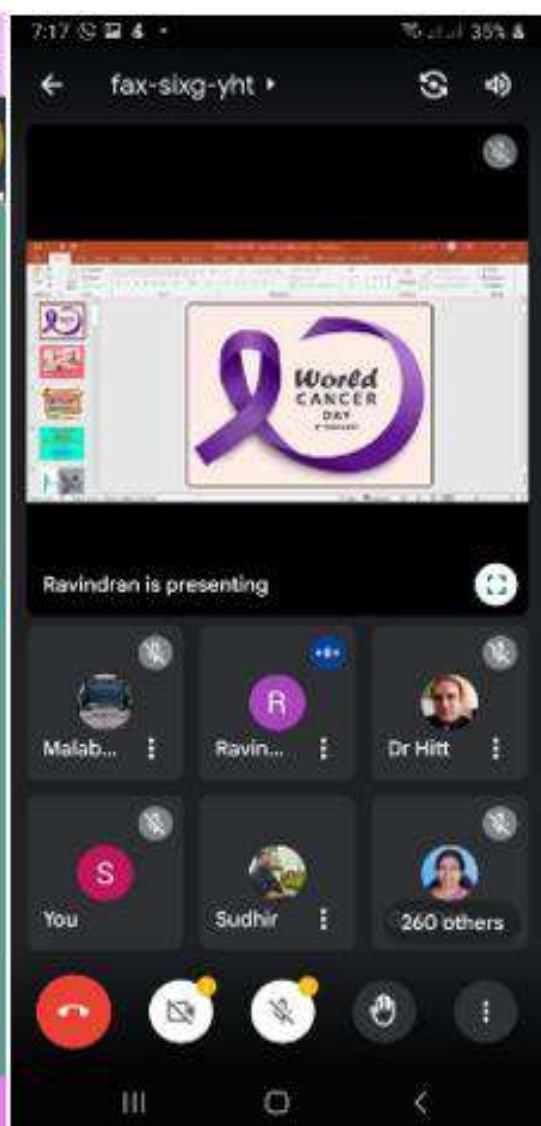

WEBINAR ON CERVICAL CANCER AND HPV VACCINATION

In connection with World cancer day women cell conducted webinar on the topic 'Cervical cancer and HPV vaccination' on 04.02.2022 via Google meet. Dr. Umesh Shaligram (Senior scientist, HPV section, Serum institute of India, Pune) inaugurated the programme and the topic was elaborated by Dr. V C Ravindran (Medical Director, Malabar cancer care society, Kannur). The programme was aimed to give awareness on various types of cancers especially affect women. They mainly focused on cervical cancer and HPV vaccination and other methods available now for the early detection and treatment of cancer.

The poster is for the 'WOMEN CELL' event at 'NAM COLLEGE KALLIKKANDY'. It announces the 'Observance of WORLD CANCER DAY 2022' on '4th February 2022 at 6 pm through GOOGLE / ZOOM MEET'. The 'Chief Guest' is 'Dr. Umesh Shaligram', a 'Senior Scientist, H P V section, Serum Institute of India, Pune'. The topic is 'Elaboration on the topic Cervical Cancer & HPV Vaccination by Dr. V.C. Ravindran, Medical Director, MCCS'. Logos for 'WORLD CANCER DAY' and 'MALABAR CANCER CARE SOCIETY KANNUR' are at the bottom.

WEBINAR ON AN INTRODUCTION TO INNER PRODUCT SPACE

The Department of Mathematics organized a webinar on **9/10/2021**. The topic of the webinar was '**An Introduction to Inner Product Space**'. The webinar was inaugurated by Dr. Muhammed Kutty K K, Principal, N A M College and chaired by Mr. Shaju K, HOD of Mathematics. The technical session was handled by Mr. Suresh E V, Assistant Professor, Department of Mathematics, Payyannur College. In the session he discussed about the concept of Inner Product Space and its applications. **Total 63 persons** participated via Google meet

The poster is for a webinar titled "An Introduction to Inner Product Space". At the top left is the logo of N A M College Kallikkandy. To its right, the text "N A M COLLEGE KALLIKKANDY" and "DEPARTMENT OF MATHEMATICS" is displayed in yellow. A pink arrow pointing upwards contains the text "Webinar on". The main title "An Introduction to Inner Product Space" is in large, bold, cyan letters. Below the title, a yellow box contains the text "Resource Person". To the left of the resource person's photo is a "Join" button with the Google Meet logo. The resource person's photo is a circular portrait of a man with a beard, wearing a blue and white checkered shirt. Below the photo, his name and title are listed: "Mr.Suresh EV", "Assistant Professor", "Department Of Mathematics", and "Payyannur College". At the bottom, a pink banner contains the date and time: "On 09/10/2021 Saturday at 10.30 AM". WEBINAR ON DIFFERENTIAL EQUATIONS AND ITS APPLICATIONS

A webinar on '**Differential Equations and its Applications**' was conducted by Department of Mathematics on **18/10/2021**. Dr. Bajeel P N, Assistant Professor, Department of Mathematics, Sir Syed College was the resource person. The opening remark and introduction of the programme was given by Ms. Fidha Jabeen K T P. College Principal Dr. Muhammed Kutty K.K inaugurated the meeting and Mr. Shaju K chaired the meeting. Webinar focused on different types of Differential equations and highlighted its applications in science. Total number of participants are 59, including students and teachers. This webinar conducted as the part of MOU signed on 08/06/2021 between Department of Mathematics NAM College Kallikkandy and Department of Mathematics, Sir Syed College Thaliparamba

MATHEMATICS ASSOCIATION INAUGURATION AND SEMINAR ON 'DEVELOPING THE LEARNING CAPACITIES'

Mathematics Association was inaugurated by Dr. Muhammed Kutty K K, Principal on 16/02/2022. Association secretary, Fathima Lubna welcomed the function. Mr. Shaju K, HOD of Mathematics presided the function. The chief guest of the programme was Mr. Anees Muhammed, soft skill trainer. In connection with inauguration department organized a seminar on 'Developing the learning Capacities'. Session was handled by Mr. Anees Muhammed. Seminar concentrated about the soft skill development of students.

RAMNUJAN DAY CELEBRATION

Students organized a programme 'ALGE-BROS' on 22/12/2021 as the celebration of Ramanujan Day 2021. Kum. Nafeesathul Misriya (1st year student) welcomed the gathering. Principal Dr. KK Muhammad kutty inaugurated the function. Kum. Junaida Muneer (1st year student) delivered a fruitful speech about the life, struggles and achievements of Srinivasa Ramanujan. Dr. Girish V felicitated the function

ASSOCIATION INAUGURATION AND A SEMINAR ON 'PROBLEMS IN LEARNING MATHEMATICS'

Mathematics Association inauguration – *Integra* -is organized on 01/01/2020 . Association secretary, Labeeba welcomed the function. Mr. Shaju K, HOD of Mathematics presided the function. Principal Dr. Muhammad kutty KK addressed the gathering . In his speech he emphasized the importance of Mathematics in science and technology developments by sharing the experience as a PTA member of ISER Bhopal .The chief guest of the programme was Mr. Noushad KC, soft skill trainer and mentor. As the part of the inauguration function department organized a seminar on 'Problems in Learning Mathematics'. Session was handled by Mr. Noushad KC .In this session he explained how to overcome the common worries that a mathematics student may face during the learning process.

SOCIAL AWARENESS PROGRAMME – EXTENSION ACTIVITY

As part of the Children's day celebration, Department scheduled a visit to Mythri Special School Kadavathur. The official session was inaugurated by Dr.KK Musthafa – former Principal NAM College. Dr. Muhammad Kutty KK , Principal NAM college , mr. Shemin Shehras , mathematics Association secretary were address the students and staff of the school . Later students interacted with differently abled inmates of special school . They spent the wole day by singing and dancing with them . Also the department students had their lunch with this special kids which was a memorable one to all.this programme gave an insight about the life of the parents of such students and the students took the pledge on social responsibility to look after and consider those kind of differently abled people and their parents .

ONE DAY WORKSHOP ON CREATIVE WRITING

As part of academic innovation, a one-day workshop on Creative writing in English was conducted. The programme was facilitated by Mr. M Noushad -Assistant professor, MBL media school, Calicut on 20 July 2017. Selected students of the UG and PG classes participated in the programme. The students were given a brief introduction to different forms of Creative Writing. This was followed by a practical session where different forms of writing such as poetry writing, short stories, flash fiction, short plays and film script writing were assigned to different groups of students. This one day session was aimed at honing the creative skills of the amateur writers in the audience. The workshop enabled the students to practice the various forms of Creative Writing they studied in their course.

INTEGRATING ICT IN EDUCATION-ONE DAY WORKSHOP

UGC librarian, Sri. Munfar Kappil conducted a workshop for the second year students of the English Department on 26 July 2019 at the college seminar hall on ICT integration in education. He introduced various learning and online resources that are available and explained how students can use them for their general academic and personal growth. He said that ICT fosters a more active student collaboration in the acquisition of technological knowledge by enabling the utilization of cutting-edge educational resources and the renewal of teaching strategies. Reasons for ICT Integration in Education, Uses of ICT integration, benefits of ICT integration, and impact of ICT integration in education were discussed in detail.

WORKSHOP ON RESEARCH METHODOLOGY AND PROJECT MANAGEMENT

The Department of English organized a **Workshop on Research Methodology and Project Management** for the students of the PG and UG department of English on 30 December 2018. The workshop was conducted by MR Dhanesh, a research scholar from Kannur University. The programme was inaugurated by the Head of the Department of English, Dr. Yusuf Arun. Teachers and students of the UG and PG department of English attended the programme. The workshop provided an orientation into the process of research, methodology, documentation and project preparation. The first session focused on the selection of the topic and how to select the necessary materials to develop the topic into a project report. The second session focused on the writing of the project report using the MLA Handbook 8th edition. The workshop was extremely relevant for the final year BA and MA students as project and dissertation are course papers in their final year of study.

NATIONAL SEMINAR ON WRITING FOR MEDIA

A One Day National Seminar on “WRITING FOR MEDIA: WRITING AT THE CROSSROADS’ was organized on 2nd August 2019. It was inaugurated by Dr. Samarjit Kachari, Dept. of Electronic Media and Mass Communication, Pondicherry University. The programme consisted of three sessions by renowned academicians and media experts.

Session 1. Writing For Media in the Age of Convergence - Dr. Samarjit Kachari

Session 2. Limits of Language: Prasanth M P [Chief of Bureau, Times of India]

Session 3. New Media: Imagination, Production and Presentaion of Literature in Alternative Publishing Spaces: Anulal, Writer and Educator. This was followed by paper presentations by the PG and UG students.

About the College

N.A.M College Kallikkandy is an aided college affiliated to Kannur University. It was established in 1995 by Muslim Educational Foundation, Panoor with the sole aim of serving the people by imparting quality education. It has mushroomed into one of the premier educational institutions in north Malabar, spreading the fragrance of education in the society. The college lies eight kilometers away from Panoor and one kilometer away from Kallikkandy town by road.

About the Seminar

Despite being a separate and established discipline, Writing for Media has been part of the UG English syllabus for a long time. The intra-disciplinary nature of the subject makes it an area of close study for literature students. Both the disciplines use language in seemingly disparate yet almost identical ways. Most often, journalistic writing approaches the domain of art when the methods employed in creative writing are used in an effective manner. Moreover, just as creative writing has undergone many changes in presentation and effect, changes have also taken place in the art of journalistic writing, especially so with the advent of visual and social media. The seminar, Writing for Media: Writing at the Crossroads, organized by the Department of English, N.A.M College Kallikkandy on 2nd August 2019, seeks to highlight the shifting processes at work in writing with special focus on the present transitional scenario.

INVITED LECTURE

In connection with the retirement of Dr. Yusuf Arun (HOD of Department Of English) and the Silver Jubilee celebrations of the college, an Invited Lecture by Dr. K K Kunhammad, Head, Department of English Studies ,Kannur was organized on 24th February 2020. The subject of the lecture was Reading/Teaching Literature. The main focus of the lecture was to bridge the gap between literary theory and sense in reading literature. The talk focused on ways of approaching literature. Mimetic, objective, expressive and pragmatic dimensions of reading were focused on. The lecture also explored the diverse motives and mysteries of why we read.

The poster is for an invited lecture titled "READING / TEACHING LITERATURE". It features a dark background with a blurred image of a bookshelf. The text is primarily in white and yellow. At the top right is a small logo. The title is in large, bold, white letters. Below the title, the date and location are given in yellow. A yellow box contains the speaker's name and title. To the right of this box is a small portrait of Dr. K.K. Kunhammad. At the bottom, the organizing department is listed in white, and contact information is provided in white. The phrase "ALL ARE WELCOME" is written in yellow at the bottom right.

SREEJITH KANHILASSERY
(Acting Trainer, Theatre Activist, Ad Film Director)

**16 FEBRUARY 2022
01:00 PM**

The Department of English organized a Theatre Workshop and Interactive Training Session as part of the English Association inauguration. The Association was inaugurated by theatre activist, acting trainer and film director, Sreejith Kanhilassery. The resource person is a gifted artist who has made his mark as an actor, acting trainer and debater at an early age. The audience consisted of students of the UG and PG departments of English. The workshop attempted to bring out the talents lying dormant within the students through selected games and exercises. The trainer gave practical sessions on team building, team management, interpersonal skills and presentation skills. The activity-oriented training session aimed at helping to combat stage fright and enhancing the students' self-confidence by assigning them tasks to be performed in front of a big audience. The programme was inaugurated by the Principal, Dr. K. Mohammed Kutty. The English Association Secretary Naja Fathima of the II BA English class made the Welcome Speech. The Head of the English department, Mrs Priya Nair presided over the event. Felicitations were offered by the various members of the staff. The programme came to an end with a vote of thanks rendered by Hanna Beevi, from the II English class.

WEBINAR ON A VOICE OVER THE FACTS: HYPERREALITY , MEDIA AND NEWS

The Department of English organized a Journalism Webinar on the topic A VOICE OVER THE FACTS: HYPERREALITY, MEDIA AND NEWS on March 17, 2022. The Resource person was Musthafa Mubashir, Assistant Professor, Department of Media Studies, Reva University, Bengaluru, India. He is also a Senior Research Fellow (SRF) and submitted thesis to Pondicherry University for the doctoral degree. The webinar focused on reading reality and hyperreality in the light of media. It threw light on how misinformation and disinformation affects our lives and how we can identify fake information/news. The focus of the webinar was to fetch practical and theoretical aspects of disinformation and misinformation and make us aware of the reality behind facts presented by the media.

GENDER SENSITIZATION WORKSHOP

Gender sensitization refers to the raising sensitization of gender equality concerns. It helps people in examining their personal attitudes and beliefs and questioning the realities of both sexes. Gender sensitization make people understand the difference between sex and gender, how gender is socially constructed and the stereotypes around gender roles It helps them determine which assumptions in matters of gender are valid and which are stereotyped. Need of gender sensitization is to create awareness among the working professionals about the importance of gender sensitivity in organization. Without being sensitive to the needs of a particular gender, an individual may refrain from understanding the opposite gender.

Gender is socially learned behavior, based on social expectation from men and women. The women and children are most vulnerable group of this situation. And it's the undue pressure on boys and girls to live up to the established norms of masculinity and femininity. Girls endure unwarranted social control, discrimination and domination. Boys discouraged from being emotional, gentle or fearful. Gender sensitization gives a clear and precise view about gender and help to understand that gender is not about "Women" it's about "People".

Keeping this in mind, Ponnu Ima and Navya Nochad (SEK Foundation) conducted a Gender Sensitization workshop on Saturday, 26 March, 2022 from 10 am to 1 pm at NAM College Kallikkandy. The programme was organized by the Department of English in association with Women's Cell and IQAC, NAM College Kallikkandy.

The Head of the Department, Priya Nair inaugurated the workshop. Nasrullah Mambrol, Asst. Professor of English and the coordinator welcomed the participants and resource persons. Faculty members of the English department including Ms. Sheethal, Sri. Bilal Shibily, Sri. Sadiq KP, Ms. Silpa and Mrs. Shasni Afzal were present.

SEMINAR ON RESEARCH METHODOLOGY

The Department of English, NAM College, Kallikkandy organized a guest lecture in the subject of Research Methodology on 21 December, 2022 at 10.00 am at the Seminar Hall. The Resource person was Sudeep SD, Assistant Professor and Head in the Department of English, Govt. College, Nadapuram. The session was attended by the students of final year B.A. English. The Programme began with Asst. Prof. Mr. Nasrullah Mambrol introducing the resource person. Dr. Majeesh. T., Principal, NAM College, Kallikkandy inaugurated the session.

Sudeep SD actively interacted with the students on the topic of 'Research Methodology'. He discussed the aims of conducting research, what research is and is not, the difference between methods and methodology. Research methods may be understood as all techniques used by the researchers during the course of studying the research problem. Research methodology involves various steps generally adopted by a researcher in studying the research problem along with the logic behind them. He also covered the deductive and inductive approaches adopted in research. The resource person also spoke about the components of a theory in research i.e. What, How and Why and the importance of boundary conditions i.e. Who, Where and When. Then he went on to speak about the process involved in research in greater detail.

The resource person stressed on the importance of review of literature i.e. why it is important, why a researcher should not stop and continue reviewing the existing literature till the time of data collection. He also gave his insights on how to review the existing literature in a particular area of research, and how to identify the research problem and research gap. Dr. Sudeep's SD's presentation concluded with an interactive session with the students. The programme ended with a vote of thanks proposed by Ms. Naja Usman, student of final B.A. English. A total of 33 students participated in the event.

2021-22

IGNITE 2021-22 - Faculty Development Programme for Teaching Staff

IQAC organized a one day Faculty Development Programme for teaching staff on 11-10-2021 as part of **IGNITE 21-22**. The title of the event was **HEQIP-Higher Education Quality Initiative Programme**. The programme aimed at improving the worth of faculty members in the teaching-learning process as well as all defining to be implemented in the college for the upcoming NAAC visit in 2022. Dr. M K Madhusoodanan and Mr. Munafar Kappil were the resource persons in the programme. The programme was also aimed to collect all the files prepared by each faculty member for the preparation of NAAC work. The resource persons pointed out various events to be conducted in the college, regarding collaboration activities with other institutions, extension activities, institutional distinctiveness etc. and they interacted with the faculty members present. All the delegates actively participated in two sessions. Refreshment and lunch were also provided for them.

College Principal, Dr. Mohamed Kutty Kakkakunnan, presided over the function. Mr. P P A Hameed, Hon. Gen. Secretary of MEF, inaugurated and Dr. Joy Varkey, Dr. Shameer A P, Dr. Muhammad Ismayil K M, Dr. Minimol V K, Mr. Rejil K P also spoke at the event. A memento was awarded to Mr. Rejil K P, for the publication of his book , a collection of poem entitled '*Peythozhiyaathe*'.

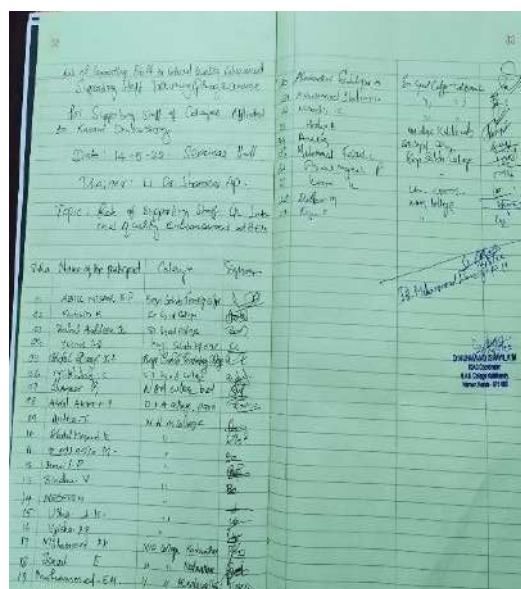

IGNITE 2021-22; Higher Education Quality Initiative Programme-HEQIP

Kannur University Supporting Staff Training Programme

A training session was conducted on 14.05.2022, Saturday 11.00 AM for the supporting staff of different colleges affiliated to Kannur University. The session was inaugurated by Dr. Majeesh T, Principal, NAM College Kallikkandy, with the presidential address of Mr. Nazeer Puthoor. The resource person, Dr. Shameer A P, discussed the topic '**Role of Supporting Staff in Internal Quality Enhancement at HEIS**'. He discussed the management of files pertaining to admitted and outgoing students, entry, qualifications and retirement of teachers etc.

NTS were also advised to maintain separate labelled files with data relating to orientation /refresher programmes, increment, placement and salary components of permanent and temporary faculty. All other related topics were discussed in detail. Participants cleared their doubts with the resource person and they interacted with him in an effective manner. Around thirty members participated in the programme. The programme ended with lunch provided by the college management. Mr. Muhsin K of Sir Syed College, rendered the vote of thanks. The session was ended at 2.00 PM.

Kannur University supporting staff training programme

2020-21

Dr. Jay Varghese

IBAC Organised a one day family development program on the topic "Teaching technique" on 09-01-2018 at seminar hall.
Dr. MK. Madhusoodanan, HOD of physical education was the resource person.

The program was divided into three main topics. The first topic was fundamentals of teaching. This topic focused on the basics of teaching such as class room management, lesson planning, and assessment.

The second topic was "Innovative teaching techniques". This topic focused on newer approaches to teaching, such as active learning, flipped classrooms, and project-based learning. The third topic was "Engaging students in the class room". This topic focused on strategies for engaging students in the classroom, such as discussions, games, and activities.
Bazeeb VV expressed vote of thanks.

PRINCIPAL
N.A.M. COLLEGE, KALLIKANDY

The program started with an introduction regarding the importance of time management and the importance of time management and ability to handle stress effectively. The participants were provided with an overview of the program and the objectives of the same.

The trainer then delved into the fundamentals of the topic, giving a brief overview of the need for time management and the ways one can manage and reduce stress.

He discussed various strategies one can use to help manage stress such as relaxation techniques, exercise and proper diet. He also discussed the importance of positive self-talk and goal setting. He also conducted a few activities to help them gain a better understanding of the concept.

Report

On February 2, 2019 Monday, the IQAC NAMC conducted an FDP on the topic Professional Ethics.

Dr. Jose MV was the resource person.

The program began with an introduction to the concept of professional ethics, which was followed by a discussion on the importance of professional ethics in the workplace. The discussion focussed on topics such as the role of professional ethics in a workplace, the importance of ethical behaviour, and the need for compliance with ethical standards.

Following the lecture, the participants had the opportunity to engage in a group discussion on the importance of professional ethics can be applied in the workplace, such as hiring practices, employee

The program concluded with a question and answer session, which allowed participants to ask questions and get further clarity on the topics discussed.

Dr. Jay Varkkey

The FDP organized by IQAC, NAM College Kallikkandy was inaugurated by Dr. Joy Varkey was the resource person. It was an intensive program designed to equip faculty members and research scholars with essential skills and knowledge required to conduct effective research.

The program was aimed at providing an in-depth understanding of the research process, and to develop an understanding of the various research methods and techniques used in research.

The FDP covered the following topics:

- Overview of research methods and techniques.
- Research design and development
- Data collection and analysis
- Research ethics.

CAMPUS ENVIRONMENTAL PROMOTION ACTIVITIES

CLEAN AND GREEN CAMPUS INITIATIVES

NAM GREEN AURA PROJECT

NAM GREEN AURA PROJECT (NGAP)

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind. NAM Green Campus Project was a dream project of the college management and teachers to make the campus green and flowery within 10 years . the project was fully funded by the management of the college and the team was assisted by the teachers, NSS, NCC and nature club of the college . The 10 years long project was planned by the authority to implement in different phases

OBJETIVES

- i. To create awareness regarding environmental policy amongst the students, teachers and the management
- ii. To beautify the campus with greenery and shade
- iii. To promote sustainable and eco-friendly practices in the campus.
- iv. To develop alternative measures to solve environmental challenges.
- v. To incorporate green protocol among students and faculties.
- vi. To motivate staff, students and teachers through environmental literacy.
- vii. To protect and conserve ecological systems and resources within the campus.
- viii. To ensure judicious use of environmental resources to meet the needs and aspirations of the present and future generations.
- ix. To integrate environmental concerns into policies, plans and programmes for social development and outreach activity
- x. To work with all stakeholders and the local community to raise awareness and seek the adoption of environmental good practice and the reduction of any adverse effects on the environment.
- xi. To continuously improve our contribution to climate protection and adaptation to climate change and to the conservation of global resources.

Phase I

Green Aura -2021

As part of the green campus policy . NAM College management and IQAC has started a green initiative project to make the campus and its surrounding green and shady. It was a series of programme the authority planned and the first phase was inaugurated in 31st March 2021 under the title '*Green Aura-2021*'. The main objective of the phase one is to transform the college and its premises especially the two sides of the campus road into green and eco-friendly. For that purpose, Variety of Fruits tree and shade trees like Mango Tree, Fig, Rose apple and Pongame Tree have been planted in the two sides of the campus road and front yard of the main block . The project was inaugurated by Sri. Sameer Parambath (Joint Secretary, MEF . Mr. Muhammed Ismayil K M (IQAC Coordinator), Dr Hussain (Asst. Professor, Dept. of Malayalam), Kum. Dhanya and Kum. Mubeena, involved in the programme. The *Green Aura* is being implemented by IQAC in collaboration with the College Management Committee and Agriculture Office of Thruprangottur Grama Panjayath. The first Phase of the 'Green Aura 2021' was completed on April 5th 2021.

Phase III

Vrindavan

The third phase of the Green Aura Project entitled as *Sarovar*. The main intension of this project is to build an open theatre surrounded with beautiful garden, gallery, water fountain, pool and parking benches. The open theatre and the garden situate in the south east part, very close to the central library and college canteen. After completion of the work the space can be used for conducting various outdoor programmes and function and also can be used by the students to utilize their free time creatively conducting any value added discussions and seminars.

SETTING PLANTS IN VINDAVAN

The third phase is also planned to make a Rose Garden near the centre yard of the campus. Number of different coloured rose plants were planted the place and of course the after six months of the plantation the garden will be the centre of attraction of the campus.

PLANTING ROSES

GREEN INITIATIVES INSIDE THE CAMPUS

RAINWATER HARVESTING

The rainwater harvesting strengthens the water supply to the campus as well as enhance water level of wells in the campus through ground water recharging process. Rain pits were constructed during rainy season to collect and protect the rain water under the soil.

WASTE MANAGEMENT

SOLID WASTE MANAGEMENT

To maintain a clean and beautiful campus the institution maintained proper waste management system for solid, liquid and e-wastes. Solid wastes are sold to the scrap dealers. A bottle booth, to collect plastic water bottles and other plastic waste, is also established in the college with the support of Thriprangottoor Grama Panchayath. E-wastes are dumped in a separate room meant for this purpose. For disposal of waste water, proper drainage has been constructed. Liquid wastes are discharged to sewage pits and chemical wastes are properly drained of without causing any damage or harm to the environment. Administrative office functions are in paperless mode.-

BOTTLE BOOTH

SOLID WASTE MANAGEMENT

E-WASTE MANAGEMENT

E-waste generated in the campus is disposed in scientific and eco-friendly manner.

E-WASTE COLLECTION

SOURCES OF WATER

- Open Well water
- Bore Well water

The Main source of water is Ground water is extracted to full the requirement. At present there are 3 wells out of which with 2 has open well structure and the other is a borewell. The college stores the water in overhead tank. The source of wastewater is Domestic Waste Water i.e., Sewage water. The Sewage water mainly comes from Toilets of college, hostel, kitchen and canteen.

OPEN WELL

BEYOND THE CAMPUS ACTIVITIES

Re-4 “Project”.

Re-4 project with the aim of replacing and recycling the plastic wastes from the campus and near-by area of the Thrippangottur panchayath. It was a great project initiated by the NSS unit of the college. The volunteers and teachers visited the plastic recycling centre, they provided plastic collecting bins to the near-by schools and finally handed it over the recycling centre. To promote the use of cotton bags and paper bags the students supply the same to the panchayath.

ENERGY CONSERVATION AWARENESS WORKSHOP

1. Awareness workshop at Chokli

The programme was conducted on 21-01-2017 at Mathiyambath L.P. school. The programme was inaugurated by the college principal Dr.K.K.Musthafa. Around 80 members including Kudumbasree and other public participated in the function. We distributed LED bulb to the participant at a rate of 50. And also collected the electricity bill for the last month. The resource person directed them to reduce the bill by efficient managing of electrical devices. We provided refreshment for the participant.

2. Awareness workshop at Kallikkandy

The programme was conducted on 24-01-2017 at Kallikkandy Panchayath hall. Around 111 members including kudumbasree and other public participated in the function. We distributed LED bulb to 100 participant in a rate of 50Rs. And also collected the electricity bill for the last month. The resource person directed them to reduce the bill by efficient managing of electrical devices. We provided refreshment for the participant.

The two activities conducted by the NSS unit of our college with the financial support of Urjakiran and EMC gave an effective outreach programme to our institution. As the part of follow up activity we directed our volunteers to make awareness campaign in home by giving notices and instruct them to monitor next six months electricity bill. And also offered free LED if there is gradual decrease in the electricity bill by the efficient use of electrical devices. We were also very grateful by conducting such an extension activity with a relevant topic such as energy conservation.
