

PROGRAM REPORT 2025-26

WELFARE OF DISABLED STUDENTS, N.A.M COLLEGE, KALLIKKANDY

1. SPORTS PROGRAMME FOR CHILDREN WITH SPECIAL NEEDS

The students from the Polymer Chemistry Department actively participated as volunteers. Students provided individual assistance, motivation, and event coordination for children with physical and cognitive challenges, ensuring their full participation in all events. Through this involvement, students cultivated life skills, emotional intelligence, compassion, and responsible citizenship. This initiative created a meaningful bridge between the college and the local community, enriching the lives of specially-abled children while instilling profound human values in our students. The programme stands as an example of how education combined with empathy can bring transformative social change.

The programme was inaugurated by **Dr. Lt. Shameer A. P, Principal of NAM College Kallikkandy**, marking the formal commencement of the International Volunteer Day celebrations. The **welcome address** was delivered by **Smt. Rgmini, Principal of Maithri Special School**, who highlighted the importance of inclusive educational and community-support initiatives. The event was graced by several dignitaries who offered their felicitations, including **Shabina K. K, Assistant Professor in the Department of Polymer Chemistry**, **Dr. Haseeb V. V, IQAC Coordinator of NAM College**, and **Mr. Abdul Ahad, Assistant Professor in the Department of Physical Education**. Their messages emphasized the significance of compassion, volunteerism, and collaborative engagement in shaping socially responsible students.

2. SCHOLARSHIP ASSISTANCE FOR DISABLED STUDENTS

Under the supervision of Scholarship cell, welfare of disabled students provides scholarship assistance to support differently abled students in applying for government and nongovernment scholarships available for students with disabilities. The programme was coordinated with the guidance and support of **Dr. Sunitha P. V., Scholarship Nodal Officer**, who provided detailed assistance throughout the application process.

The primary objective of the programme was to ensure that all eligible differently abled students were informed about the various scholarship schemes available to them and received the necessary support to complete the application process accurately and on time. Students were guided in understanding the eligibility criteria, collecting the required documents, registering on the scholarship portal, filling out application forms, and submitting the necessary supporting documents. Individual assistance was also provided to address students' specific queries and difficulties.

The programme was conducted in a student-friendly manner to ensure that no eligible student was deprived of financial assistance due to a lack of awareness or procedural challenges. Dr. Sunitha P. V. closely monitored the application process and ensured that all applications were completed correctly and submitted within the prescribed deadlines.

3. ABILITY BEYOND DISABILITY- MOTIVATION /COUNSELLING SESSION

A session on the topic “**Ability Beyond Disability**” was conducted on **23 March 2026 at 12:00 PM** at **NAM College, Kallikkandy**, in the **Jeevani Counselling Room**. The programme was organised by the **Welfare of Disabled Students**, in association with the **Jeevani Centre for Students’ Wellbeing** and **IQAC**.

The session was handled by **Akshaya Mohanan K K**, Consultant Psychologist at the Jeevani Centre for Students’ Wellbeing. The programme brought together differently abled students from various departments, with the aim of promoting inclusivity, confidence, and self-awareness.

The session included a series of activity-based tasks designed to engage the students and enhance their emotional well-being, communication, and participation. The activities were simple, interactive, and student-friendly, ensuring that all participants could actively take part.

The students participated very well in the session. They were calm, attentive, and showed a clear understanding of the activities. Their active involvement reflected their interest and comfort throughout the session.
